

KHS Parent/Student Updates Week of 11/7/21

Student/Parent Content:

The first quarter of the 2021-2022 school year has gone by quickly. We can look back and say we have faced some challenges, but we are moving in the right direction. In the spirit of the upcoming Thanksgiving holiday, I am thankful for the many things as I reflect over the last 5 weeks. Please let me share just a few of them with you:

I am thankful for the support the staff, students, parents and community has shown over the last few weeks. You all have provided me with the daily reminders of why I am here and what is essential. I am grateful for the support of the parents for being patient and flexible as we worked out (and still working out some kinks) with scheduling concerns. I am also thankful that our parents have entrusted the school community with their most valuable ones with us.

Thank you!!!!!!

Dr. Sims

I have built positive relationships over the years and look forward to continuing that model. Please feel free to contact me at your convenience to address any questions or concerns.*

School Wide Non-Negotiables:

For Safety Reasons!!!!!!

Schools are an important part of the infrastructure of communities, as they provide safe and supportive learning environments for students. Wearing school uniforms and IDs being visible around the neck helps us to easily identify students of KHS from visitors or potential intruders. Moreover, the size of our school makes it challenging to control the amount of deliveries that would occur, thus decreasing the ability to maintain a safe school environment.

Therefore:

- We are requesting that every student is in a Kankakee school uniform with an ID visible around the neck. **Students are prohibited from wearing ripped jeans (of any color) ripped pants (any color), blue jeans, leggings and flip flops.** Please refer to the Kankakee Student Handbook for uniform choices.

- Please do not bring restaurant food to the building for students.
- Students are prohibited from ordering food using "food delivery "services (i.e. door dash, uber eats, etc.)

Hall Sweeps coming soon!!! Please encourage your child to get to class on time!!!!

School Wide Attendance Data Tracker

Student School Wide Attendance Data

Date						
	Freshman	Sophomores	Juniors	Seniors	Overall	
Week of 11/1	80.7%	73.7%	Not Available	72.50%	75.2%	

A missed school day is a lost opportunity for students to learn. Poor attendance has serious implications for later outcomes as well. Therefore, please ensure your child is attending school daily.

Study Hall/ Free Period

If your child is on a traditional schedule, they are not able to replace a class with a study hall/free period. If you have questions or concerns, please contact Dr. Sims.

Remote/Hybrid General Information

Remote/Hybrid parents and students' teacher schedules should be visible on the website for your viewing. If a teacher has office hours, we encourage all students to take advantage of the support of your teacher.

Please ensure that if your child is attending the remote classes in person (for additional support) they must remain on the floor to

which they are assigned. Students are not permitted to wonder the library or work outside their assigned locations.
