PREAMBLE

This Agreement is between the Board of Education of Kankakee School District #111, Kankakee, Illinois, and Service Employees International Union Local #73. This working Agreement made and entered into this 8th day of June 2020, by and between the stipulated Board of Education, above, hereinafter referred to as the “Employer” and the Service Employees International Union, Local #73, hereinafter referred to as the Union.

It is the desire of both parties to this Agreement to avoid disputes, and realizing that they have a common interest in the general welfare of the students of the school district. Further, the parties recognized a mutual desire to bargain collectively with regard to wages, hours, benefits and working conditions of the employees covered by this Agreement.

Accordingly, the parties agree as follows: All provisions in this Agreement are subject to the Illinois School Code and any existing or future state or federal laws that may affect the legal operation of the school system by the district. If any section or sub-section of this Agreement shall be declared invalid by any court of competent jurisdiction, or shall become inoperative because of any federal or state law, the remaining portions of this Agreement shall continue in full force until the prescribed termination date.

ARTICLE I RECOGNITION

1. The Employer hereby recognizes the Union as the exclusive representative for the purpose of collective bargaining with respect to the rates of pay, wages, hours of employment, benefits and working conditions, for all custodians, grounds men and couriers.
2. It is mutually agreed that the Employer reserves all rights not expressly covered or restricted by the terms of this Agreement.
3. The fiscal year shall be from July 1st through June 30th.
4. A copy of this Agreement may be secured from the District’s website for all employees covered by said Agreement.
5. The reference of employee is all-inclusive for custodians, grounds men, and couriers.

ARTICLE II WAGES AND HOURS

A. Hours

1. The work will consist of five (5) days of eight (8) hours each, Monday through Friday, excluding the lunch period.
2. Starting and ending time shall be established in accordance with school requirements by the Director of Maintenance cooperatively with the building Principal. They shall be uniform as practicable and shall not be modified, nor shall the daily schedule of work be changed, except in emergencies.
3. Employees shall have a duty-free 30 minute unpaid lunch period. The lunch period shall be scheduled by the administration.
4. All employees shall receive two (2) paid fifteen (15) minute break periods per day.

B. Wages

1. Scale of Pay

All employees on July 1, 2020 shall receive a two (2) percent increase to their base rate of pay.

All employees on July 1, 2021 shall receive a two (2) percent increase to their base rate of pay.

All employees on July 1, 2022 shall receive a two (2) percent increase to their base rate of pay.

All employees on July 1, 2023 shall receive a two (2) percent increase to their base rate of pay.

The scale of pay according to classification, by hourly rate, is attached hereto in the form of Exhibit A. The hourly rate is listed for the purpose of computing overtime pay.

2. Overtime Provisions

a. Overtime pay shall be calculated as follows:

- 1) Time and one-half after eight (8) hours of work in any one day.
- 2) Time and one-half after (40) hours of work in any one week.
- 3) Time and one-half for Saturdays and Sundays.

- 4) The employee shall be paid time and one half (1½) in addition to his/her regular straight time hourly earnings for work on holidays.
-
- b. There will be no pyramiding of overtime (i.e., daily and weekly overtime will not be paid on the same hours worked).
 - c. Employees will not be paid overtime for both the holidays and the days observed as such.
 - d. Paid holidays constitute a part of the required hours of work and shall be counted as hours in computing the basic week.
 - e. Equalization of Overtime: Except in emergencies, overtime shall be equalized among eligible and willing employees on a rotating basis beginning with the longest seniority status within that building. If the overtime cannot be filled within a building then management shall offer such overtime on a rotating basis to a list of willing district-wide employees on a rotating basis beginning with the longest district-wide seniority status. Any employee who repeatedly refuses overtime, or accepts overtime and then does not show up for the scheduled work, shall not be considered a willing employee and may be removed from the district-wide overtime list, for the remainder of the school year. Overtime assignments will be made by the Director of Maintenance or his designee, and if no willing employee can be found to cover the needed overtime, then management can look to outside sources to fill the needed overtime.
 - 1) For temporary absences lasting less than one workweek (5 days), subs shall not be used as long as any bargaining unit employee is willing and able to perform the work. The work would be offered first to custodians within the building in which the absence occurs, then to custodians outside this building. If no bargaining unit employee accepts the work, the Employer may call in a sub.
 - 2) For temporary absences lasting more than one workweek (5 days), the Employer may use subs without first offering the work to bargaining unit employees.

However, when it becomes necessary for the Administration to fill a daily opening because no District employee is willing to work the additional hours, the District shall fill the opening in the following manner:

- 1) From in-district sub list; then

2) From a temporary agency.

- f. Overtime pay shall be included on the regular check of the pay period following the one in which the overtime was earned, assuming that the employee properly completed the time sheet, obtained the appropriate authorization signatures, and delivered the time sheet to Maintenance Office before the established timelines for payroll processing.
- g. In the event of an emergency, and employees are called back to work after they have left work for the day, shall be paid at the rate of one and one-half (1½) times their hourly rate of pay for all hours worked, but in no circumstance shall an employee received less than three (3) hours of pay. Employees will be expected to work a reasonable amount of overtime when necessary.
- h. There shall be a minimum call in time of three (3) hours of work on any event on Saturday, Sunday, or holidays, and employee(s) shall be paid one and one-half (1½) their hourly base rate of pay, provided the employee responds to the call within 5 minutes and arrive to the site within thirty (30) minutes. Otherwise, the employee must verify with the alarm monitoring service that he/she is still needed.

3. Pay Days

Paydays are the fifteenth (15th) day and the last day of the month except when a pay period falls on a weekend or bank holiday; then they will be paid the day prior to the weekend or bank holiday.

4. Time-Keeping System

At such time when the District implements a time-keeping system to record time worked, the employee shall be required to clock in and clock out so as to document time worked and the time lunch is taken. The employee shall abide by all rules and regulations expressly instituted for the time-keeping system.

5. Compensation Advancement

Any employee who has not received a step increase will be given that increase twelve (12) calendar months after their board appointed date. For example: Employee "X" was appointed by the Board on September 11, 1998. On September 11, 1999 his/her pay rate will change and he/she will be placed on the next step.

6. District Closings

If the District closes the schools due to inclement weather or other emergencies (e.g. loss of power, heat, etc.) at the discretion of the Director of Maintenance employees will be allowed to leave work early (in cases where the employees are already on duty) or if the employee has not yet reported to work, the employee will be allowed to stay home and will sustain no loss of benefits, time or pay.

In the cases of District closure due to excessive snow, employees who are required to perform snow removal duties will be paid at the rate of time and one-half (1½) for all hours worked, regardless of whether the employee has worked eight hours in the work day or forty hours in a work week.

7. Longevity

Employees that are hired between July 1 and December 31 will be given a full year's service credit for the year. If hired after January 1st, the six (6) months service credit will be lost. Longevity stipends shall be paid to eligible employees in the following increment annually on December 15th:

<u>Years of Service</u>	<u>Longevity Stipend</u>
15 years of service	\$200.00
20 years of service	\$400.00

8. Working out of Job Classification

Any employee who is asked by the District to work outside of his/her job classification and that work is higher graded work, shall receive the higher rate of pay commencing with the first day that the employee works in that classification.

ARTICLE III PAID HOILDAYS

1. The following paid holidays, or days observed as such, shall be considered as holidays and employees shall be granted the day off with pay on these days:

Independence Day
Labor Day
Columbus Day

Veterans Day
Thanksgiving Day
Friday after Thanksgiving Day
Last scheduled work day before Christmas (Christmas Eve)
Christmas Day
Last scheduled work day before New Year's (New Year's Eve)
New Year's Day
Martin Luther King's Birthday
Presidents' Day (optional with Board depending on school calendar)
Casmir Pulaski Day (*)
Spring Holiday
Memorial Day

Should one of the listed paid holidays occur on a day that a full-time employee is not otherwise scheduled to work and the holiday is not observe on a day that would otherwise be a work day, such employee will be granted an additional vacation day. As example, if Christmas Day occurs on a Sunday, and the holiday is not scheduled to be observed on a week day, then full-time employees would be entitled to one additional vacation day. The terms of Article IV will apply to the additional vacation day.

(*) If Pulaski's Birthday reverts to a commemorative holiday during the life of this contract, this day will revert to a regular day. If the District observes Pulaski's Birthday as a holiday on a day other than the first Monday of March, full-time employees will be granted the observed day off with pay.

2. Any employee needed to protect or service the buildings except in the case of emergencies, is required to report to that assignment provided the employee is notified 24 hours prior to the holiday.

3. When any of the above holidays fall on a Saturday or Sunday, the preceding Friday or the following Monday will be observed as a holiday, unless school is in session. In such an event, the holiday will be observed at a mutually acceptable time or added to the employee's allotted vacation time.

4. Employees must work the last working day before and the first working day after the holiday to be eligible for holiday pay, except if the employee is in an approved leave status. Employees who are absent before or after a holiday because of a death in the immediate family will not lose holiday pay. If an employee is absent due to an on-the-job injury before or after a holiday, that employee will also be eligible for holiday pay. If an employee misses work the day after a holiday due to unforeseen and unavoidable circumstances beyond their control, they may appeal to the Assistant Superintendent for Human Resources to have their holiday pay reinstated.

They must initiate this request and provide clear documentation and evidence supporting the reason(s) for their absence. In these unique “emergency situations” the decision of the Assistant Superintendent for Human Resources will be considered final and binding. Additionally, any such decisions are to be considered non-grievable, non-precedent setting, and decided on a case-by-case basis given the facts and circumstances of that particular case.

5. Employees will be permitted to use personal leave or vacation leave on the Wednesday before Thanksgiving, provided the Wednesday before Thanksgiving is a non-workday for employees district-wide.

ARTICLE IV VACATIONS

Employees shall submit their request for summer vacation to the Office of the Maintenance Director not later than May 1st of the year, to be guaranteed that their selection will be made in order of seniority. Employees requesting vacation after May 1st will only receive their requested selection after all other employees with vacation requests already on file with the Director of Maintenance regardless of seniority.

Requests for vacations submitted by seniority employees shall not be denied based upon the opening and/or closing of schools unless the vacation request would require the district to have schools with scheduled attendance and /or events opened without employee coverage.

1. One full day of vacation will be granted for each month employed, not to exceed six (6) days for employment of less than one year.

2. Time is to be figured from the month of employment to June 30th. All employees who have completed one year or more, determined as previously described, will receive two (2) weeks of vacation with pay.

5. All requests during the school year shall be in writing and submitted no less than two (2) weeks prior to the requested time off on the absence request form. (absent emergency circumstances)
6. Custodial staffing levels for schools that have four (4) or less custodians should only have up to one (1) custodian at a time allowed on vacation during the summer work schedule. Schools that have five (5) or more Custodians should have up to two (2) Custodians off on vacation at the same time during the summer work schedule.
7. Up to fifteen (15) vacation days may be used during the school year (either consecutively or individually)
8. On non-attendance days and days adjacent to the non-attendance days (e.g. holidays, teacher-in-services etc.) custodians may be allowed to utilize single vacation days, subject to the Director of Maintenance.
9. Vacations will not be approved one (1) week prior to the end of the school year or two (2) weeks prior to the start of the school year. Except in emergency situations which, are subject to approval.
10. Seniority shall be the deciding factor in approving all vacation requests. If more than one custodian requests the same time period of vacation the most senior custodian shall be granted his/her vacation request.
11. Employees who have completed ten (10) years of continuous employment with the Kankakee School District prior to June 30th, shall be granted three (3) weeks of vacation with pay, and employees who have completed fifteen (15) years of continuous employment with the Kankakee School District prior to June 30th, shall be granted four (4) weeks of vacation with pay.
12. Vacation days earned from the previous year will be added to the employee's vacation bank on July 1st (the first day of the fiscal year) and are required to be used by July 30th of the following year, allowing 13 months to use the vacation time once allocated. Said vacations do not accumulate or carry over to subsequent years, and any unused vacation days are lost to the employee if not used by July 30th of the subsequent year.

**ARTICLE V
SENIORITY**

1. Seniority is the length of service to the school district from date of hire. Seniority shall begin when an employee has satisfactorily completed the sixty (60) working day probationary period, and seniority shall revert to date of hire when sixty (60) working day probationary period has been completed. The probationary period may be extended for twenty (20) working days if deemed necessary by the Director or Assistant Director of Maintenance. The Union Representative and President shall be notified if a probationary period is being extended, and the reasons for the extension shall be listed in the notice.

2. Seniority shall apply in all cases of increase or decrease in the working force and promotion from one person to another, (except for management or supervisory positions) including transfers from one job to another, and one shift to another, provided the applicant is properly qualified, and has responded to the posting notice to the Director or Assistant Director of Maintenance within the appropriate time frame, as listed in the posting.

3. When employees are relatively equal in qualifications, the employee with the highest seniority shall prevail.

4. A seniority list shall be provided to the Union every six (6) months if there are changes and yearly if there are no changes. In addition, a modified seniority list shall be posted in a n appropriate location, within each school. The modified seniority list shall contain employees names and date of employment, whereas, the Union seniority list shall include each employee's home address, date of hire, rate of pay, classification, work location, and work e-mail address. The Union's copy shall be mailed to SEIU Local 73, 300 South Ashland, Suite 400, Chicago, IL 60607 or any successor address. The names and addresses of new employees shall be given to the Union Steward or designee within ten (10) business days following board action.

ARTICLE VI JOB POSTING

1. All job vacancies shall be posted for seven (7) working days but jobs may be temporarily filled during the time an employee may bid on the job. A permanent employee shall be selected for filling the job within fourteen (14) days of the job posting, unless it can be shown that no qualified applicant is available. Once a permanent employee has been selected for a posted position, they will be required to begin their two week trial period at a date to be determined by the Director of Maintenance, but no later than thirty (30) days after the notice of said selection. The Union Representative and President will receive written notification when a posted position is filled.

2. The successful bidder will serve a trial period of ten (10) work days on the job. If he/she does not qualify within that time or the employee decides that the position is not a good fit, he/she shall be returned to his/her former job. This trial period may be extended for ten (10) work days by the Director of Maintenance; the Union will be notified of the extension and the reasons for the extension.

3. If the employee or the employer decides that the employee does not satisfactorily complete the assignment, then he/she shall be returned to his/her former position. The higher rate will be paid during the trial period. The successful bidder is required to be on the job and available to report to the position of transfer by a date as determined by the Director of Maintenance

4. It is the intention of the administration that all job vacancies be posted in such a manner that every employee covered by the terms of this Agreement shall be aware of the vacancies. The procedures that will be followed to carry out this intent will be mutually agreeable to both parties of this contract.

ARTICLE VII GRIEVANCE PROCEDURE

Section 1: Any employee has the right to and may talk to his/her Supervisor about any question or problem that may arise, at a convenient time designated by the Supervisor and consistent with production and working requirements. If any question or problem brought to the attention of the supervisor by any employee involves the interpretation or application of a specific provision of the Agreement, a Union Representative shall have an opportunity to be present before adjustment of the grievance.

Section 2: All differences and disputes between the employer and the Union and/or employees, raised by the Union or employees and relative to the meaning, interpretation or application of specific provisions of the Agreement, shall be presented to the grievance procedure provided below, except where noted herein:

Step 1 – Employee’s Supervisor

The grievance shall be presented in writing, to the Director of Maintenance within ten (10) working days after the occurrence of the event, including discharge, giving rise to the grievance. If the grievance is not presented within the ten (10) working day period, the matter shall be

deemed resolved and the District's action or failure to act shall stand. If presented in a timely manner, a meeting shall be scheduled with the employee, and a Union Representative if desired by the employee, by the Director of Maintenance, or his designee, to discuss resolution of the grievance. The Director of Maintenance, or his designee, shall provide a written answer within ten (10) working days of the Step 1 grievance meeting.

Step 2 – Assistant Superintendent for Human Resources or Assistant Superintendent for Business Services

If the grievant is not resolved in Step 1 above, the Union may move the grievance to Step 2 of the grievance procedure within ten (10) working days of receipt of the written Step 1 answer. The written grievance may then be presented to the Assistant Superintendent for Human Resources or Assistant Superintendent for Business Services, and a meeting shall be held at which the employee, the employee's supervisor, the Union Representative or Steward and the Assistant Superintendent for Human Resources and/or Assistant Superintendent for Business Services may be present, if requested or desired. After meeting to review and discuss this matter, the Assistant Superintendent for Human Resources or Assistant Superintendent for Business Services shall reply to the grievance in writing within five (5) working days thereof.

Step 3 – Superintendent/Board

If the grievant is not resolved in Step 2 above, the Union may move the grievance to Step 3 of the grievance procedure within ten (10) working days of receipt of the written Step 2 answer. The grievance shall then be discussed at a meeting with the Superintendent or the Board at the Superintendent's option. At the meeting the Superintendent may have present, at his/her option, the Assistant Superintendent for Business Services, the Director of Maintenance, Assistant Superintendent for Human Resources or other personnel as deemed necessary by the Superintendent. Notification of other individuals to be in attendance shall be made at least 72 hours in advance of the meeting. The Union may have present the grievant, the Union Steward and/or the Union Representative. After discussion, the Superintendent shall reply to the grievance in writing within ten (10) working days following such meeting.

Any settlement reached in Steps 1, 2, or 3 shall be considered final and binding upon the employer, the union and the employee. Failure of the employer to answer the grievance in the time permitted herein shall allow the employee or the union, if so desired, to refer to e grievance to the next step of the process herein shall allow the grievance to be considered settled and the employer's action, or failure to act, shall be deemed sufficient.

Arbitration Procedure

If the matter is not adjusted in Step 3 or an answer is not given within the time specified, the Union may, by written notice to the District within thirty (30) work days after the Step 3 answer is received, request that the grievance be referred to an impartial arbitrator selected in the manner hereinafter provided. The Union, within ten (10) working days following the written notice being given to the District, must initiate the arbitration selection process or the grievance is deemed settled.

If the union initiates the arbitration selection process but arbitration does not occur for any reason other than settlement of the grievance by the parties, the union shall pay all fees associated with initiating the selection process. Upon the making of a proper and timely written request for arbitration, the Employee and the Union shall attempt to agree upon an arbitrator to decide said issue. In the event that the parties have not agreed upon the selection of an arbitrator within fifteen (15) calendar days after the request for arbitration has been made, either party may ask the Federal Mediation and Conciliation Service for a list of seven (7) persons who are members of the National Academy of Arbitrators for selection as impartial arbitrator. Either party may ask for a second panel. The Employer and the Union shall have the right alternately to strike names from the panel. A coin toss will determine who strikes first. The remaining person shall act as an impartial arbitrator, and the Federal Mediation and Conciliation Service shall be promptly notified of such selection. Only one grievance may be presented at the arbitration hearing before any one arbitrator at any one time unless the parties mutually agree otherwise.

The arbitrator shall have authority only to interpret and apply the provisions of the Agreement to the extent necessary to decide the submitted grievance and shall not have the authority to add to, detract from, or alter in any way the provisions of this Agreement. The Arbitrator's award shall be final and binding upon the District and Union. The losing party to an arbitration hearing shall pay all fees and expenses of the arbitrator, but each party shall pay for their own costs, legal counsel, transcript copies, and other such expenses.

General Provisions:

a. Work Hours: If any steps of the grievance procedure are scheduled during the work hours of the grievant and/or the grievant's representative (if a District employee), such employees will be excused with pay for that purpose. Employees required by the District to attend an arbitration hearing during their working hours shall be excused from work with pay.

b. Bypass Steps: If a grievance arises from the action of an authority higher than the immediate supervisor, the Union may present such a grievance at the appropriate steps of the grievance procedure.

c. Right to be Present: The employee and his/her Union Representative have the right to be present at all steps of the grievance process.

d. Copies: At the request of the grievant or his/her union Representative, the District shall provide copies of all documents relied upon by the District prior to Step 1 of the grievance procedure.

e. Failure to Respond: Upon failure of the District to meet the time limits prescribed in this Article, the grievance shall be advanced to the next highest level.

f. Definition of Days: The term “days” as used herein shall mean calendar workdays for employees in this bargaining unit. Official District holiday, emergency days off, Saturdays and Sundays shall not be counted as workdays for the purpose of this Article.

It is agreed that Union dues shall continue to be deducted on the basis of written authorization, or other legal means of authorization (such as electronic or web sign-up, voice recording, etc.) of each individual employee who is a member of the Union. The union agrees to hold District No. 111 harmless from any claim or damage arising from said deduction. Dues shall be remitted monthly to: Secretary-Treasure, Local No. 73 SEIU, 300 S. Ashland Ave., Suite 400, Chicago, IL 60607. All applications and/or revocations shall be processed by this office.

ARTICLE IX STRIKES, LOCKOUTS AND WORK STOPPAGES

1. No Strike Pledge:

The employer will not lock-out any portion of its employees during the term of this Agreement.

**ARTICLE X
SICK LEAVE ABSENCES**

1. All full-time employees shall be entitled to sick leave in the amount of twelve (12) days at full pay each year of their employment. If any such employee does not use the full amount of annual leave thus allowed, the unused amount shall accumulate to a maximum allowable per the Illinois Municipal Retirement Fund plus one year's sick leave (12 days) at full pay.

2. The Director of Maintenance may require a physician's certificate as a basis for pay after an absence of three (3) consecutive days for personal illness, or as the District may deem necessary. If the District requires a physician's statement from an employee for each individual absence, the District will reimburse the employee for the employee's examination by the physician. Sick leave usage may be certified by a physician licensed in Illinois to practice medicine and surgery in all its branches, or by a licensed chiropractic physician, advanced practice nurse, a physician assistant, or other treatment provider as authorized under the *School Code*.

3. Sick leave in excess of the amount accumulated may be granted only upon special recommendation of the Superintendent of Schools and approval by the Board of Education. An individual sick leave record of each employee is to be kept in the Business Office.

Immediate family shall include: father, mother, spouse, children, brother, sister or parents-in-law, civil union partner (or official "steps" of these individuals, as appropriate) and legal guardians of the employee.

5. Employees who have exhausted all earned available time including sick leave and vacation days must apply for a leave of absence. A leave of absence may be granted by the Board of Education upon written request. Upon approval of the leave of absence, the individual's seniority shall be maintained. The employee will be considered for the first available position for which he/she is qualified upon written evidence of his/her physical ability to return to work. If administratively possible, the employee will be returned to his/her old position as soon as possible. No employee, however, shall be granted a leave of absence to seek employment

elsewhere. In the case of military service, the provision of the Illinois Selective Service Act shall apply.

6. Allowed sick leave should be the employee's work days.
7. An employee not reporting at the beginning of the shift following approved leave, or absent for any other reason except emergencies, shall be docked for the time lost since he/she worked last.
8. An employee on leave shall report to the building Principal and the Director of Maintenance of his/her intent to return to work by 2:00 p.m. the day before returning to work.
9. No employee may leave his/her assignment except at the completion of the day's work period, without the approval of the Director of Maintenance, or designee.
10. When a night employee finds that he/she will be absent from his/her duties, it is his/her responsibility to call the office of the Director of Maintenance no later than 12:00 p.m. on the day of the absence. A day employee is expected to call the Director of Maintenance as soon as possible but no later than one hour prior to their start time on the day of his/her absence. The Director of Maintenance will assure that there is a procedure in place to allow employees to report their absences during non-office hours or when staff is not able to answer the phone.
11. In the event of an on-the-job injury which causes an employee to be absent from work the employee may use available sick leave during the first three (3) days that precede becoming eligible for Worker' Compensation. The employee will receive Workers' Compensation benefits, if eligible, beginning with the 4th day that the employee is absent from work and will not be charged sick leave. Workers' Compensation coverage shall be provided by the Employer.
12. An Employee will receive a \$1000 stipend if he or she does not use any sick days during the fiscal year (July – June). An employee will receive a \$500 stipend if he or she only uses one sick day during the fiscal year (July – June).

ARTICLE XI

PERSONAL and SCHOOL VISITATION LEAVE

1. **Personal Leave:** Two (2) personal leave days will be permitted each year for employees. Requests for personal leave must be submitted five (5) days prior to the leave time, except in cases of emergency, where less time for notification may not be possible. In case of an emergency, the employee is to notify the Maintenance Office as soon as possible and a verbal approval for the leave may be given with written forms to follow as soon as possible thereafter.

The leave days are not intended to be vacation days, and cannot be taken one (1) day before or one (1) day after the employee's vacation period or holiday. These days are non-cumulative. However, unused personal days will be added to an employee's accumulated sick leave on July 1st of each year.

2. School Visitation Leave: Pursuant to the *School Visitation Rights Act*, eligible employees are entitled to leave up to a total of eight (8) hours during any school year, no more than four (4) hours of which may be taken on any given day, to attend conferences or classroom activities related to the employee's child, if the conference or activity cannot be scheduled during non-work hours. Employees must first use all accrued vacation, personal, compensatory leave and any other leave that may be granted to them except sick and disability leave.

ARTICLE XII FAMILY AND MEDICAL LEAVE ACT

The District shall abide by all provisions of the "*Family and Medical Leave Act of 1993*" (FMLA).
