

Dear Parent,

Kankakee School District 111 is happy to announce online registration for the 2023-2024 school year by using the **Skyward Family Access** portal. Online registration will be available beginning on **Monday, May 1**. If you do not complete the online registration through the Skyward Family Access portal, your student will not be guaranteed busing for the start of the school year.

Skyward Family Access is a password-protected site that provides parents access to course, grade, homework, attendance, and classroom information. As a security measure, we want to make sure that you keep your information up-to-date including your user-name and password and a valid email address.

If you have used Skyward Family access in the past, you can log into your account with your user name and password. If you have never logged into Skyward Family Access, you can go to any building in our district to get login assistance.

We have recently performed a security update to Skyward Family Access. When you log into Skyward, you will be prompted to enter a new password. Here are the guidelines for passwords:

1. **Your password must be 8 Characters or longer.**
2. **Your password must contain at least one Upper-Case Letter.**
3. **Your password could contain numbers and special characters, i.e.: !@#\$%&**

If you do not register by **July 31** busing information will not be provided for you student until after the first day of school.

You can access Skyward Family access clicking on the link on our webpage: www.ksd111.org . Log into your **Skyward** account and begin the registration process.

If you need assistance logging into Skyward or with online registration, you can contact your students building.
