Our records show that you owe the School District \$ \_\_\_\_\_ for: *Describe the reason for the debt and date(s) incurred* \_\_\_\_\_

After attempts at the school-building level to notify you of this debt and obtain payment and/or after reasonable efforts to notify you for your unpaid school lunch fees, your debt has been referred to the District's Business Office. **This debt is past due and legally enforceable.** Unless this debt is paid on or before \_\_\_\_\_ the District will seek collection to the fullest extent of the law. That means that you may see a decrease in a future payment(s) that the State makes to you by the amount of the debt that you owe the District, plus a recovery fee until your debt is paid.

You may challenge this claim any time before \_\_\_\_\_ by completing Section 2 below and returning this *Notice of Claim* to the Business Office. If you challenge the debt, you will be invited to an informal proceeding in which the District Business Office will describe the claim and you can explain why you believe the claim is invalid and/or the amount is wrong. A decision finding the debt enforceable will be automatically reviewed by me or my designee (who is not a subordinate of the individual making the enforceability finding).
