Exhibit - Cover Page Documenting the Process to Seek Offset from the Illinois Office of the Comptroller (IOC)

This cover page documents the steps the District must take before recovering a delinquent debt through an offset (deduction) of a future payment the State makes to an individual responsible for the delinquent debt. An Intergovernmental Agreement (IGA) between the IOC and the District must be in place before the District may seek an offset to satisfy a delinquent debt. Consult the Board Attorney for assistance in implementing a District-wide delinquent debt recovery program that will satisfy the requirements necessary to enter into an IGA with the IOC, e.g., the Superintendent should ensure that the District uses a uniform process to seek offset from the IOC. After completing a step, the responsible staff person must record the date, initial the step, and put all material into the claim folder.
