Extracurricular and Co-Curricular Activities

The Superintendent must approve an activity in order for it to be considered a District-sponsored extracurricular or co-curricular activity, using the following criteria:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of student-participants.
2. Fees assessed students are reasonable and do not exceed the actual cost of operation.
3. The District has sufficient financial resources for the activity.
4. Requests from students.
5. The activity will be supervised by a school-approved sponsor.

Non-school sponsored student groups are governed by School Board policy, 7:330, *Student Use of Buildings - Equal Access*.

Academic Criteria for Participation

For students in kindergarten through 8th grade, selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Students must satisfy all academic standards and must comply with the activity's rules and the student conduct code.

For high school students, selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Participation in co-curricular activities is dependent upon course selection and successful progress in those courses. In order to be eligible to participate in any school-sponsored or school-supported athletic or extracurricular activity, a student must maintain an overall 2.0 grade point average. In addition, students must not be failing more than one class. Every two weeks, grades will be checked to determine eligibility. Any student-participant failing to meet these academic criteria shall be suspended from the activity for 14 calendar days or until the specified academic criteria are met, whichever is longer.

Those students who receive one failing grade may appeal their eligibility once each grading period provided they: submit an eligibility appeal plan within five school days, which is approved; and agree to attend 2.5 hours of tutoring each week in the subject they are failing. Students who fail to attend the 2.5 hours of tutoring weekly and/or turn in the proper documentation will be ineligible for the next week, Monday through Saturday. A second such occurrence will result in being declared ineligible for the remainder of the grading period.
