

General School Administration

Administrative Responsibility of the Building Principal - Student Voter Registration

The Board of Education directs the District's administration to provide students with an opportunity to learn and practice the principles of civic responsibility. This goal may be advanced by offering the service of voter registration to eligible students.

The High School Principal or the designee may be appointed deputy registrar by the county clerk. If appointed, the high school principal or the designee may accept voter registrations of eligible students in the high school.

The High School Principal or designee who becomes a deputy registrar shall develop the following procedures for student voter registration:

1. Student voter registration shall occur only in May and September.
2. The completed student voter registration forms shall be returned to the county clerk within seven (7) days of May 30 and September 30.
